

## On the Move: July

...you will tell everyone about me in Jerusalem, in all Judea, in Samaria and everywhere in the world  
Acts 1:8 (CEV)

Hello Ministry Partners!!

July was a busy time for ministry with the Campbell's. It was an exciting time filled with some family experiences that we'll always remember. Here are some of the highlights.

We began the month of July with the KCICCM TKBF 3D young adult conference where we were honored to speak about 'Excellent Worship'. It was a great time with some who were with us when we started working with young adults under Pastor and Bishop Copeland at NCCF.

From there, the family and I went to Colorado State University to be a part of

Cru15, the national missions conference for Cru (Campus Crusade for Christ). Imagine, over 5,000 missionaries from around the world coming to one place for 7-10 days to worship, pray, learn, share and connect. We met so many people from everywhere

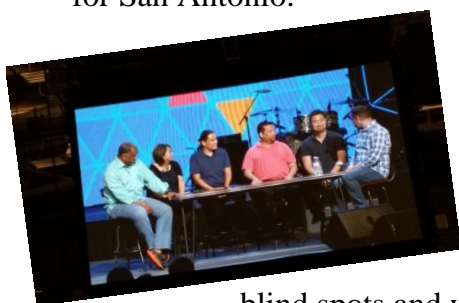

who all had a heart to share Jesus with others, especially college students. From Kazakhstan to Hawaii, from China to Seattle, it was amazing! We also had a chance to meet some of our counterparts here in this region including Athletes in Action regional staffers and Cru leaders for San Antonio.

Part of the focus this year was on building partnerships and diversity. There were some major sessions and seminars for dialogue, including a Black Lives Matter seminar, and at times difficult for some to hear, but we had wonderful opportunities to grow. One of the main session speakers, Christena Cleveland, really challenged me about my own

blind spots and what am I doing to make a difference. ***Be ready for it if you listen!*** (link to her talk: <https://cru15.cru.org/archive/thought-leaders/07-16-am-christena-cleveland.htm#ooid>)

Then on July 20 (almost as a culmination of the conference) I was commissioned as a missionary in the Religious Order of the Impact Movement. It was a wonderful occasion for my family and I. And as the Lord is so kind to do, He confirmed our step of faith that week by bringing 5 financial ministry partners on board with us from Cru! Praise the Lord!

## On the Move: July

Then, for the proverbial ‘cherry on top’, we met a man on the plane coming back. He was there on a fishing trip with some friends and was scheduled to leave the following day. However, his trip was cut short and he ‘decided’ to come home early. As the Lord would have it, we ended up seated next to each other and begin to talk about what we do. Well, by the time we landed, he expressed his desire to come on our ministry partner team and has been supporting us ever since! We thank God for our new partner! Isn’t God awesome!

Well, we returned to San Antonio in time to catch our breath and then head out for the Agape Youth Retreat with Pastor Perryman. We had a wonderful time ministering there with the focus “Are you a Follower or a Fan”. We saw many young people challenged about their relationship with Jesus and had several that answered the call to missions! It was a great time with the young people!

As I close, Andrew Murray in his book “Reaching Your World for Christ” said,

*“There can be no forward movement in missions, no great offering of life, without a deepening of the spiritual life of the church leaders and a real spiritual revival among the church members. New methods can accomplish nothing unless they are begun, continued and completed in prayer and permeated from first to last by the Holy Spirit.”*

What a challenge Murray presents. July was a time for us as a family to begin to answer His mandate in new ways, yet the challenge to ensure that we begin, continue and complete everything in prayer still rings as a clarion call in our hearts.

We are asking you to pray with us as we endeavor to raise the final 35% of what we need to report to campus. Right now, we have 3 new Impact Chapters coming online in the fall and we see the Lord moving among students, so we just want to be in place to support and help. We want to say thank you for all of your support, we know we couldn’t do this without you! We are believing God for big things this school year and thank you for being a part!

Blessings,
